

K-LOVE serves me in many ways as a resident of my local community, and I would never want it to be taken off the FM translator service. It encourages me and helps me to grow daily in wisdom, along with blessing me in everything that it does. If K-LOVE were to be displaced by an LPFM broadcaster providing other programming, I would be very upset, and our community could no longer benefit from all of the moral values, and many biblical principles that help build strength and well-being. I believe that the service provided by K-LOVE is in the public interest always, and would never ever want to be lost by anyone or the community.
